

Granite Creek Hunger Pot-Luck

Feeding hungry people every Saturday

Granite Creek Hunger Pot-Luck has been feeding the hungry since 1998. It is non-profit and funded by tax deductible donations. Since we are a 100% volunteer organization, the entire amount of all donations goes to feed the hungry.

How it works:

We have wonderful volunteer cooks who use food donations/purchases to make delicious entrees, casseroles, side dishes, and salads for our “taste of home” pot-luck. They bring the freshly cooked food to the serving tables each Saturday. From April through October we serve outside, and from November through March we serve in the Prescott United Methodist Church. Serving begins at 11:00 am. While our guests are gathering they are greeted and made welcome.

How to help:

Since we have no dedicated source of funding, we are always seeking financial donations as well as volunteer pot-luck cooks to prepare meals using the ingredients purchased from the donated money. Most cooks stay to serve, but it is not necessary. If you are bringing food on Saturday please arrive around 10:45 am. We also need setup, breakdown, cleanup and dishwasher helpers. For details or questions call Carol / Jim Lark at 928-445-8069. Remember – we are able to help others because of the help we receive from people like you.

Granite Creek Hunger Pot-Luck

Who we are:

- We are a 100% volunteer organization – we have no salary, facility or administrative expenses - all donations go to feed the hungry – all donations are tax deductible, we are a 501C3.
- Volunteers come from Prescott, Prescott Valley and Chino Valley.

Comments from our guests:

- I like the compassion and caring attitude.
- The food is great and I am so grateful for the service.
- I love you guys. You are helping everyone here and they need it.
- They (volunteers) look you in the eye and that's respect. It makes us think and feel we are not unlovable.
- Always you are there for us, rain or shine. People are wonderful and so kind (hugs while we wait in line sometimes).
- I like the food and the volunteers and everybody & God being here in all.
- They (volunteers) practice what Jesus taught.
- It helps the people in need to get up on their feet again.
- All the volunteers are great understanding people, I love all of you, keep it up.

Our challenges:

- We are always in need of volunteer pot-luck cooks who prepare dishes of their choice to serve at the Saturday meal. The dishes can be large or small. The combination of small dishes from several volunteers can be enough to feed many people. This past year the number of guests we feed each week has increased and additional volunteers will help meet this need.
- Since we have no dedicated source of funding and must purchase much of the food that our volunteers prepare, financial donations are a continuing necessity in order to sustain this program.
- Donations of food and / or supplies are also welcome.
- Any assistance you can provide will be sincerely appreciated. Please contact Carol / Jim Lark at 928-445-8069 for additional detail and / or questions.
- Tax deductible donations can be made to Granite Creek Hunger Pot-Luck via the Prescott United Methodist Church (PUMC) which provides accounting services to us at no cost. Checks must be made out to PUMC with Granite Creek Hunger specified on the memo line.
